

# PTFE Coated Fiberglass Yarns

## RoHS Compliant Colors available!

In response to RoHS regulations, W.F. Lake Corp. has completed a thorough review of all of our raw materials and determined that only a few of the pigments we use for our high temperature PTFE coated fiberglass yarns are subject to these new regulations. Those few colors are now available in compliant alternate formulations to meet the new European Union standard. We will continue to supply our industry standard colors as the primary product ... please be sure to specify if RoHS as required.

**Example: 15T55-096RoHS/GRN (225 1/2, green, RoHS compliant).**

*The only colors impacted are: Red, Green, Yellow and Orange.  
The following colors are unaffected: White, Black, Brown, Blue, Violet, Gray.*

<b>Industry Standard</b>	<u>Example: 15T55-1903GRN.</u> 15% PTFE coating / unsintered, heat cleaned 450 1/2, 3 ends on a braider tube, green.
<b>RoHS Compliant</b>	<u>Example: 15T55-1903RoHS/GRN.</u> 15% PTFE coating / unsintered, heat cleaned 450 1/2, 3 ends on a braider tube, <b>RoHS</b> green.

**Standards / Specifications:**  
 Mil-STD-1285  
 High Temp.: Mil-W-7139  
 Munsell ANSI/EIA-359-A  
 Mil Std- 104

### Applications:

- Braiding Solid Color Insulation Over Wire
- Tracers / Markers for high temperature wire / cable.
- Braided Lacing Tapes
- Braided Tie Cords
- Wrapping Coils
- Serving on Magnet Wire
- Strength Members for Cable
- Filler Cord for Round Cable
- Reinforcing High Temp Hose

High Performance PTFE & Silicone Coated Products

*W.F. Lake Corp. manufactures high performance PTFE and Silicone coated products designed for extreme operating environments. Our non-stick, temperature and chemical resistant materials are uniquely suited for a wide variety of specialized industrial applications in a number of diverse industries. By combining our broad based in-house processing and converting capabilities, we are able to offer you creatively engineered products especially suited to your application. Give us a call to discuss your material needs... we're ready to help!*

***We manufacture the industry's widest range of  
PTFE Coated Fiberglass products !***
